APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion, place and manner of use of a portion of the waters of springs tributary to the North Fork of the Humboldt River as heretofore appropriated under Proof 00576 as appears in the Humboldt River Decree No. 2804 entered October 20, 1931 and October 7, 1935, in the District Court of the Sixth Judicial District of the State of Nevada, in and for the County of Humboldt, is issued subject to the terms, conditions and irrigation period imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

This permit is subject to the condition that the permittee must ensure that wildlife which have customarily used such water will have access thereto, NRS 533.367.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The total combined duty under Permits 51613 through 51620, inclusive, shall not exceed sufficient water for 500 head of cattle.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0155 cubic feet per second or sufficient to water 500 head of cattle.

Work must be prosecuted with reasonable diligence and be completed on or before December 7, 1990

Proof of completion of work shall be filed before January 7, 1991

Application of water to beneficial use shall be made on or before December 7, 1992

Proof of the application of water to beneficial use shall be filed on or before January 7, 1993
